

Experience the Power of Circle of Gold on July 10, 2017

“The Evolution of a Great Speech”

Featuring Kelly Kaur, D42 International Speech Champion 2017

Would you like to be a better speaker?

Experience the power of Circle of Gold in this creative interactive workshop led by Darlene Davies with special guest, Kelly Kaur.

Three speakers will demonstrate how a great speech evolves:

- Brainstorming a speech idea
- Workshopping a draft speech
- Honing a great speech for the World Semi-Finals in August 2017

Share the excitement as the speakers hear feedback from a seasoned feedback team led by Nandini Venkatesan and then try out the ideas. Participate in discussions. Take home ideas to make your own speeches a gift of gold for the audience.

Darlene Davies DTM, International Speech World Semi-Finalist 2012, has led Circles of Gold for many years and is delighted to share stories, tips and experiences with you.

Nandini Venkatesan DTM, Two-time District 42 Evaluation Winner, has conducted many evaluation workshops, and believes effective feedback from a team can help you become a stronger speaker.
