YOUR ASSIGNMENT

Purpose: The purpose of this project is to identify your primary leadership style or styles.

Overview: Complete the Discover Your Leadership Style questionnaire. Consider how your leadership style impacts the people around you and how you can adjust it to more effectively lead people with styles different from your own. Deliver a 5- to 7-minute speech at a club meeting to share some aspect of your leadership style or leadership styles in general. You may choose to discuss your style preferences when working with others, your style and how you can adapt it to situations, or leadership styles in general and how they impact a group.

Frequently Asked Questions:

Notes:

Q: Can I present what I want, or do I have to do all my speeches about Toastmasters related content?

A: Though structure is provided, the content and what you choose to speak on is entirely up to you.

Q: Do I have to upload my evaluations?

A: You do NOT have to upload your evaluations. The evaluation is for you to use for your individual improvement. Basecamp has a section that essentially acts like your own cloud storage. (Think of Dropbox or Google docs). You may use this if you want to upload files such as presentation outline, ppt, and evaluations; but, **you are not required to upload anything.**

Q: Isn't everything digital and on the cloud?

A: No. The modules for each project are online; however, the evaluation process is offline and uses printed evaluations. There is also an option to purchase your Path in paper copy through Toastmasters International.

Q: Where can I find more resources on pathways?

A: In Pathways, there is a menu item 'Tutorials and Resources'. You can also find resources on the District 42 website at www.d42tm.org.
