

CALGARY ADVANCED TOASTMASTERS WORKSHOP

MONDAY APRIL 26, 2021

Top 10 Lessons from a Leader

With about 21 years experience being a Girl Guide leader and over 12 years as a Toastmaster, Camille has developed her Top 10 list of what she has learned as a leader. She has found that some of her observations as a Girl Guide leader has helped her see things differently as a Toastmaster and Toastmasters has definitely helped her develop her leadership skills as a Girl Guide leader.

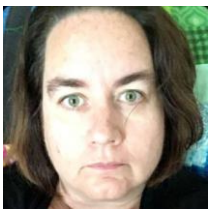

The session will consist of an Interactive description of her learnings followed by having the attendees understand and define:

What is Leadership?

What is High Performance?

What are your Core Values when it comes to Leadership?

List of Leadership Projects for the future.
